

# Entry requirements for September 2021

Joining Sixth Form means that you are committing to in-depth study for two years; it will be some of the most challenging learning you ever have to undertake. Sixth form will help to prepare you for your future be that studying at university, embarking on a higher level apprenticeship or joining the world of work.

To maximise your chances of success it is critical that you have the right attitudes and a strong academic foundation – this is why subjects have their own specific, entry requirements.
